Jerusalem: a Cup of Trembling, a Burdensome Stone!

As we watch the painful happenings in Israel: Biden, Europe, the American public... everyone, everywhere is calling upon Israel to 'cease fire, allow in 'humanitarian assistance,' don't invade Gaza ... obey or else!' It seems clear that all of Israel's mistakes will once again be repeated. They will halt and, so, allow Hamas to regroup, rearm and reattack. And now, as expected, this headline from Wednesday:

'Israel Caves to Biden Regime – Agrees to Delay Gaza Ground Invasion...'

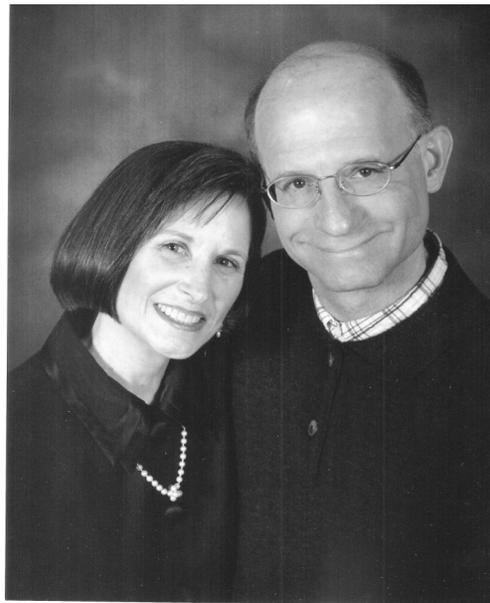

And with that delay, it will only become far more difficult to begin the ground invasion with every day that passes as World opinion only further calcifies against Israel. Our expectation should be that the ground invasion will never take place. All that will likely happen, further, will be more of the same as Hamas from Gaza, and Hezbollah from Lebanon, continue their sporadic rocket attacks and suicide bombers while life grows ever more difficult for Israelis as the days and weeks pass until Hamas or Hezbollah goes too far, resulting in Israel's **finally** having had enough. Then when Israel does attack, it will be with devastating results: devastating, that is, for all those of her immediate neighbors.

And this from the *Times of Israel*: 'UN says Israel may be **guilty of war crimes** for 'collective punishment' of Gaza: "We are concerned that war crimes are being committed. We are concerned about the collective punishment of Gazans in response to the atrocious attacks by Hamas, which **also** amounted to war crimes,"

This is what happens every time as Israel begins to retaliate against Muslim atrocities. It's called 'false equivalency,' equating the two together as if both are the same, equally guilty when, in reality, Israel is always far more guilty in their eyes as Muslims are considered lily white. This is what is being put forth every time you see the phrase, 'cycle of violence.'

But the truth is, as Benjamin Netanyahu said, "If the Arabs put down their weapons today, there would be no more violence. If the Jews put down their weapons today, there would be no more Israel!"

The Rapture can happen anytime; no prophecy needs to be fulfilled before that glorious moment but the next prophetic fulfillment, on the ground, will likely be that of Psalm 83: 'Keep not thou silence, O God: hold not thy peace, and be not still, O God. ² For, lo, thine enemies make a tumult: and they that hate thee have lifted up the head. ****They have taken crafty counsel against thy people, and ****consulted against thy hidden ones.**** ⁴ They have said, Come, and let us cut them off from being a nation; that the name of Israel may be no more in remembrance. ⁵ For ****they have consulted together with one consent: they are ****confederate against thee:**** ⁶ The tabernacles of Edom, and the Ishmaelites; of Moab, and the Hagarenes; ⁷ Gebal, and

He has committed to
us the word of
Reconciliation.
Therefore, we are
Ambassadors for Christ.
2 Corinthians 5:19,20

Ammon, and Amalek; the Philistines with the inhabitants of Tyre; ⁸ Assur also is joined with them: they have holpen the children of Lot. Selah. ⁹ Do unto them as unto the Midianites; as to Sisera, as to Jabin, at the brook of Kison: Which perished at Endor: they became as dung for the earth.' Psa 83:1

****these phrases once again prove the ever-present Worldwide conspiracy against God, Israel and True Christians which is most clearly seen in Psalm 2: 'Why do the heathen rage, and the people imagine a vain thing? ****The kings of the earth set themselves, and the rulers take counsel together, against the LORD, and against his anointed, saying, ³ Let us break their bands asunder, and cast away their cords from us.'****

All these peoples, listed in Psalm 83, are those abutting Israel: Gaza, Lebanon and Jordan as well as South-western Syria. When this takes place, very soon thereafter will be the attack of the larger confederacy of Ezekiel 38 and the fulfillment of Isaiah 17:1: *'The burden of Damascus. Behold, Damascus is taken away from being a city, and it shall be a ruinous heap.'* Today, Damascus is the oldest continuously inhabited city in the World. Soon, it will be a ruinous heap,

no longer a city at all. After this, with destruction of 5/6 of the armies of Russia, Ukraine, Turkey, Syria, Iran and parts of North Africa, as foretold in Ezekiel 38/39, the Antichrist will rise up to claim that he is the one who has stopped WW3 from continuing on; he will claim to be the savior of all mankind, eventually demanding to be worshipped as god while forcing all to receive his mark on their right hands or foreheads. He may even claim to be Jesus Christ, returned. The fact that Israel has 'postponed,' their ground invasion into Gaza, due to the feckless and evil American administration's pressure, does not, in any way, mean a postponing of God the Father's telling His Son that the time has finally arrived for Him to go down and retrieve His Bride; that moment was planned long before God even laid the foundations of the Earth. He chose and elected for Himself, every member of that beloved Bride for His Son, and He planned every aspect of every life among that very special, to Him, group... you and me and all True Christians around the World both living and physically dead. He gave us the promise that the

generation which saw Israel reborn, in one day, as a nation again, after 2000 years, would not pass until all these end time prophecies be fulfilled... but how utterly impossible!

*'Before she travailed, she brought forth; before her pain came, she was delivered of a man child. ⁸ Who hath heard such a thing? who hath seen such things? **Shall the earth be made to bring forth in one day? or shall a nation be born at once?** (May 14, 1948) for as soon as Zion travailed, she brought forth her children. ⁹ Shall I bring to the birth, and not cause to bring forth? saith the LORD: shall I cause to bring forth, and shut the womb? saith thy God.'* Isaiah 66:7

'Now learn a parable of the fig tree (representing Israel reborn); When his branch is yet tender, and putteth forth leaves (coming back to life), ye know that summer is nigh: So likewise ye, when ye shall see all these things, know that it is near, even at the doors. ³⁴ Verily I say unto you, This generation (which sees that miracle) shall not pass, till all these things be fulfilled. (all, up to and including His return at Armageddon, the end of the 7-year Tribulation) ⁵ Heaven and earth shall pass away, but my words shall not pass away. (His Word is sure and true) But of that day and hour knoweth no man, no, not the angels of heaven, but my Father only.' Matt 24:32

A generation in the Bible is anywhere from 40 to 70 or 80 years. If the Rapture were to take place today, the time from May 14, 1948 until His return at Armageddon will have been more than 83 years! His Word is true and will not fail! Time is short!

But back to Israel: all around the World, huge crowds gather to protest the very existence of Israel. They know of the atrocities committed by muslim hamas; they know of men, women, children, babies slaughtered in their homes and in their beds, of babies decapitated and even far worse and, yet, they unashamedly march and shout for Israel to be wiped off the

We are so thankful for our radio sponsors so please do pray for them, and use their service. Thank you.

Pray for the health and prosperity of our radio sponsors, their families and their businesses, as they help spread the Gospel. **(All area codes: 503)**

map: 'From the river to the sea, palestine will be free!'

muslims lead these Worldwide marches while countless useful idiots join in, thinking they are currying favor with islam, hoping against hope that the crocodile will, perhaps, eat them last.

All the World is in uproar over the very existence of Israel. Israel sits upon a tiny plot of land less than half the size of New Jersey; muslims control huge amounts of land with huge populations. The only thing holding them back from annihilating Israel is God's Holy Spirit and Israel's atomic weapons.

As I stopped at a light, yesterday, a foolish woman, in her little pickup, crossed the intersection. She was, undoubtedly, a lesbian; behind her cab trailed two huge flags flapping in the wind: a homosexual multicolored flag and also the flag of palestine!

Homosexuals around the World are protesting in favor of hamas and palestine, being either too blind or stupid to understand that in muslim nations, they would be immediately arrested, tortured and killed. SunTzu wrote: 'the enemy of my enemy is my friend.' Both see Christians as their enemies and that seems to be enough for homosexuals.

Our Border Patrol report that thousands, 10's of thousands of military aged men from hostile muslim nations, and China,

have crossed our borders, inserting themselves throughout this country as well as all 'Western' nations, doubtless, all awaiting their orders to strike just as did hamas a few weeks ago. When that happens, it will ignite the Worldwide chaos which will quickly and easily lead to fulfillment of Psalm 83 and Ezekiel 38, bringing the rise of Antichrist.

All the World trembles with rage directed toward tiny Israel. There is no rational reason why so much of the World hate, with vicious hatred, tiny, peace-loving Israel. And, there is no rational reason that Israel has not been wiped off the map. Both these puzzles have no answer in the physical realm but both have their answers in the spiritual realm.

The hatred for Israel is, ultimately demonic, satanic. Satan seethingly hates God and, by extension, anyone whom God loves: Israel and Christians as well as humanity in general; he inspires those he controls to hate and lash out at them.

God loves Israel and True Christians; He protects and sustains them all according to His perfect plan and purpose, and He will do so until He completes all His plan and purpose. 'I am God, and there is none else; I am God, and there is none like me,
